PARTNERSHIP PROGRAMME

Recruitment Partner Profile

For licensed manpower agencies and recruitment agents in Bangladesh — direct European employer demand in Latvia, Estonia and Cyprus.

PARTNER COUNTRY

Bangladesh

DESTINATIONS

Latvia · Estonia
Cyprus · Serbia

MODEL

Employer-funded
No worker-paid fee

01 — WHO WE ARE

Direct European demand for your candidates

Voynova Global Solutions works directly with employers in Europe. We share written job orders — trade, headcount, salary and accommodation — with a small number of trusted partner agencies, and we manage the permit, visa and travel file together with you.

02 — DESTINATIONS

Where your workers go

Latvia	Seasonal work visa / employer-backed work permit · about 15–45 days on the seasonal route; longer on the full permit route
Estonia	Short-term registered employment · about 30–60 days
Cyprus	Employer-sponsored work permit · about 30–60 days
Serbia	Unified permit · about 19–60 days

03 — WHAT YOU GET

Why agencies work with us

Job orders	Written, verified vacancies — no speculative demand
One file owner	We handle employer contact, permit filing and follow-up
Partner dashboard	See each candidate's status from shortlist to arrival
Fair commercials	Partner share agreed in writing, paid on milestones

04 — BANGLADESH COMPLIANCE

We follow your country's rules

Every file is cleared through BMET emigration clearance, with BAIRA-member partners where required.

Strong sourcing regions we work with: Dhaka, Chattogram, Sylhet, Cumilla, Tangail.

05 — WHAT WE NEED

To start a partnership

Licence	Your registration / licence number and office address
Capacity	Trades you supply and monthly candidate volume
Contact	One coordinator with phone (with country code) and email

NEXT STEP

Let us talk for 15 minutes

Reply with your licence details and the trades you supply. We share our current written job orders for Latvia, Estonia and Cyprus.
