

VOYNOVA GLOBAL SOLUTIONS PVT. LTD.

REGULATED CROSS-BORDER WORKFORCE PARTNER

Company Profile & Employer Proposal

Compliance-led sourcing and deployment of skilled and semi-skilled workers from India, Nepal and Bangladesh for employers in Latvia.

DESTINATION

Latvia

SOURCE

India · Nepal
Bangladesh

MODEL

Employer-funded
No worker-paid fee

01 — WHO WE ARE

A direct, compliance-first workforce partner

Voynova Global Solutions Pvt. Ltd. is an India-based international recruitment and workforce mobilisation company. We work with the employer directly — there is no sub-agent chain between your vacancy and the worker — and we carry the full file: sourcing, screening and trade testing, documents, work-permit paperwork, travel, arrival and onboarding support.

★ — TRACK RECORD

Proven delivery, on record

42 welders	Deployed to Serbia in 6 weeks — zero visa rejections across this evidenced cohort
800+ workers	Deployed across Serbia, Croatia and Balkan corridors (2024-25)
On-ground Europe team	Ivana Radović, Director — European Corridor Operations

Source: voynovaglobal.com. Past results do not guarantee future permit or visa outcomes.

02 — LATVIA CORRIDOR

How hiring into Latvia works with us

Permit route	Seasonal work visa / employer-backed work permit
Typical timeline	about 15-45 days on the seasonal route; longer on the full permit route, after a complete file is submitted
Sectors in demand	Agriculture & greenhouses, food processing, construction, hospitality, logistics
Source countries	India · Nepal · Bangladesh
Employer side	You sign what the authority requires from the employer. We prepare and follow up the rest.

03 — TRADES

What we mobilise

Construction	Masons, carpenters, steel fixers, helpers
Metal & fabrication	MIG / TIG / arc welders, fitters, fabricators, CNC operators
Hospitality	Kitchen staff, commis chefs, stewards, housekeeping, waiters
Logistics	Warehouse operatives, pickers, packers, forklift operators
Agri & food	Greenhouse and farm workers, production and packaging operators

04 — PROCESS**From requirement to worker on site**

1 • Requirement	Trade, headcount, salary, hours and accommodation in writing
2 • Shortlist	Screened profiles with skill videos in 7–10 working days
3 • Interview	You interview and select — online or on-site trade test
4 • Documents	Passport, experience letters, certificates, medical, police clearance
5 • Permit	Seasonal work visa / employer-backed work permit filed and followed up
6 • Visa & travel	Appointment, insurance, flights, pre-departure briefing
7 • Arrival	Airport pickup coordination and onboarding support
8 • Aftercare	Follow-up in the first months and a written replacement policy

05 — COMPLIANCE**Clean files, no promises we cannot keep**

No placement fee is charged to the worker — our model is employer-funded. Every file follows the source-country emigration rules (India eMigrate, Nepal DoFE, Bangladesh BMET) and the destination documentation requirements. We do not promise permits, visas or outcomes: those are decided by you and by the competent authority.

06 — COMMERCIALS**Transparent, written terms**

A service charge per trade, quoted in writing with payment milestones and the replacement policy before any candidate file is opened. All amounts are shown in EUR.

NEXT STEP

Let us talk for 15 minutes

Send us the trade, number of workers, salary band, hours and accommodation for your Latvia site. We come back with profiles and written terms.
